**DISCUSSION:**

**Commissioner Crispin:**

Minimum wage did go up as of January 1, Chloe will be the only one affected. We will need to move her up to \$12.00 an hour. Next week we will be getting our Christmas Décor down at the park and hopefully everyone else will follow in suit. I'm going to have them start getting the leaves cleaned up, they were trying to wait until it dried up. We wrote a check for the 1<sup>st</sup> half of the electrical.

**Commissioner Haddix:**

We had a sewer problem down at the trailer park, Jason Gore was putting in a septic in for Dan Moore. I told Erik to not fill in the hole just yet, but he just got that done today. We are supposed to have some guys come in to work on the sewer next week, it's going to be around \$5,000. They are supposed to work on the Clarifier, filter equipment, and train Erik. Mayor Owen- Have they sent you a list of what they are going to do with the Clarifier? I'd make them send a list.

**Commissioner Chaney:**

I spoke with the Insurance company about putting insurance on the new water building, and they advised to keep insurance on the old building. They said if anything were to happen to the old building, the cleanup would be more than what the building is worth.

**ADJOURNMENT:**

HADDIX MOVED AND CHANEY SECONDED FOR ADJOURNMENT AT 7:06 P.M. VOTING AYE ON THE MATTER WERE ALL MEMBERS PRESENT. VOTING NAY NONE. MOTION CARRIED.
