DISCUSSION:

Michael Jordan:

Back in April I was informed that if I bought the culvert, you guys would put it in. It's been sitting in my front drive way since the 11th of April. Mayor Owen- Where do you live? Jordan- North New York St. Crispin- Did I tell you that? Jordan- No you did not, one of your employees did, I bought 60 foot, that's what your guys measured and so that is what I bought. I'm just trying to a timeline, I've got drainage pipe to put in also, but I can't do anything until we put that culvert in. Crispin- This is the 1st I've heard of it; we will look at it. Jordan- I have to get the water away from the house.

Ambulance:

Thank you for the sidewalks, we appreciate it.

Summer Help:

Crispin- I'm not hiring anyone. Chaney- Is Chloe still with us? Crispin- She's done, and Michael has started. Mayor Owen- We have a young lady painting; she is doing a great job. Crispin- While she's painting, Cody has been doing the curbs and everything cleaned up for her. There has been quite a bit done. Chaney- Do we need to talk to the school about a Co-op for next year? Crispin- I don't know who to contact. Chaney- Nichole Cox.

Fire Department Request List:

Mayor Owen- They want access to the main power, close the streets, it's the same as last year. Crispin- Do we donate power for that weekend? Mayor Owen- Ever since I've been here. Crispin- I wasn't sure. Mayor Owen- Is everyone good with that? Collective yes. Mayor Owen-The have our Blessing.

Beniach Bid:

Crispin- I got a bid for tar and chip, it was the only one. There were 2 bids included, the 1st one was for crushed rock for \$89,594.90 the other bid was for rounded rock for \$81,332.90. He said the rounded rock was fine, it is up to code. I drove around and it does seem like that is what we have used. I'll make a motion for the rounded rock bid if everyone is on board, it will save us around \$9,000. This is our, rebuild Illinois money that they gave us last year.

Tree Quote:

Crispin- The 1st on is from Affordable Axe Men out of Paris, to grind the stump and take the tree down for \$1,500. The other one is from Moore Tree Service out of Georgetown, the stump and tree for \$1,100.

NPDES Permit:

Mayor Owen-We need this to stay in compliance, it's a five-year permit, that Fehr Graham got us. So, it's a 5-year renewal. Perryman- It's not due until the end of August.

Commissioner Crispin-

We need to look at the drain under the side walk across from the food bank so we are not washing away the side walk.

Commissioner Stratton-

Nothing

Commissioner Chaney-

Nothing

Mayor Owen:

Channel 3 did a vote on Our Town for their last segment of the year, and Chrisman and Rantoul were up there, I think we finally beat them by 800 votes or so. Our town Chrisman will be featured on WCIA, they are coming Monday night
