RECOGNITION OF GUESTS: Ralph Simpson – We are having high water bills and have not changed our routine. One was 200 and something which was an exorbitated amount. We have checked for leaks and don't have any on our side and when the guys come out to check they say the same thing. We don't have a pool or garden this year. Ramey – The software company says that the numbers are the numbers. The issue with the "other charges" is that the bill only will print 5 lines and you had 7 from changing out your meter. Do you mind if I ask who did your plumbing work? Simpson – Casey's nephew who works for a plumber. Moore – Do you have any other questions? Simpson – Not at this time. Shawna Boyer – I went to the legion and they are going to get us a quote for the benches around the veteran's memorial. I also asked Cody about the trash cans and the limbs still down in the park and he said that he would help get it cleaned up for the movie in the park. Moore – Yeah, okay we have had bee hives so that is why that has not been pick up yet.

LICENSE: N/A

BUILDING PERMIT: N/A

DEMO PERMIT: N/A

UNFINISHED BUSINESS DISCUSSION: Jordan the only one I have is getting a quote on the salt building about a sealant for the floor. And Zimmermanly had priced us 250 -260 per bucket so we are going to do it our self and that way we can get the salt out of the other building and over here.

NEW BUSINESS DISCUSSION: COMMISSIONER JORDAN MOVED AND COMMISSIONER HOULT SECONDED THAT COUNCIL AUTHORIZES THE HIRE OF RYAN TURNER AT \$13/HOUR FOR SUMMER HELP. Mayor Moore – He would be able to work 5 weeks for summer help and we defiantly need it.

COMMISSIONER HOULT MOVED AND COMMISSIONER JORDAN SECONDED THAT COUNCIL AUTHORIZES THE PAYMENT TO THE COMMUNITY CLUB IN THE AMOUNT OF \$900.00 FOR ENTERTAINMENT IN THE PARK. Mayor Moore – This will be for karaoke in the park as well as a movie for the kids on the last Friday of the month. This could be made in 3/\$300 payment or the full \$900.

We have tree removal on the list from this storm. Tensions have been high and we need to just calm down and let us work to get it. We are still shorthanded and we will get to it. Do you want to talk about your tree Mike or table it for now. Jordan – Table it for now.

COMMISSIONER JORDAN MOVED AND COMMISSIONER HOULT SECONDED THAT COUNCIL AUTHORIZES THE NEW POLICE REVISED ORDINANCES THAT WERE PRESENTED. Ramey – I had given you the examples in your mailbox. It showed that this is what we had and the highlighted section is what we want to change it to. Steve is here if you had any question, he would be the one to answer them.

Mayor Moore – What is the IMOF pump that is on here. Hoult – It is the pump that shreds the material before it goes to the stage. Mayor Moore – What is the price on this? Hoult – Michael did have the figures on this and I thought he was going to be here. Mayor Moore – So do we need to make a motion or carry it over? Ramey – Carry it over.

EXECUTIVE SESSION: THAT COUNCIL AUTHORIZES AN EXECUTIVE SESSION AT 7:29PM FOR PERSONEL MATTERS

COMMISSIONER CHANEY MOVED AND COMMISSIONER CRISPIN SECONDED THAT COUNCIL EXECUTIVE SESSION AT 7:30 P.M. VOTING AYE ON THE MATTTTER WERE ALL MEMBERS PRESENT. VOTING NAY NONE. MOTION CARRIED.

REPORTS FROM COMMISIONERS: Jordan – The only thing I had was that we are still trying to clean up the streets and ally. Today I noticed that people are still blowing their grass in the street and it needs to stop. Hoult – We are trying to get things cleaned up and back to being up to code.

REPORTS FROM MAYOR: I want to thank the city workers for doing such a great job during and after this storm. We had to deliver EPA notices and it was dealing with violations all the way back to 2022. So please let us know if you have questions or may not have gotten one.

ADJOURNMENT:

COMMISSIONER JORDAN MOVED AND COMMISSIONER HOULT SECONDED FOR ADJOURNMENT AT 8.03 P.M. VOTING AYE ON THE MATTER WERE ALL MEMBERS PRESENT. VOTING NAY NONE. MOTION CARRIED.
