Mayor Moore – IMOF tank circulation pump Bob what do you have on that? Hoult – I would like to table that for now. I want to get some questions answered and do some more research on that.

Mayor Moore – Chrisman Fire Association they are asking for some streets blocked off and permission to set things up at the celebration like they did last year. I don't think we need a motion for that do we? Ramey – No

Mayor Moore – Water bills, we have a stack to go through for approve of adjustments. We are trying to get this resolved. Ramey – There are some that have filled their pool and want that additional sewer

taken off their bill. Also, ones that have had a meter change out and the new meter is tracking every drop instead of that old meter not counting every drop.
