**DISCUSSION:** Mayor Moore – Anita did you have something? Marvin – Um, yes, I am here to give information on our group has planned around city wide Trick or Treat and the Community Clubs Halloween Costume the same night. We need to see if you guys will allow us to block the street from 3 to 9pm from Madison to Manroe for the Trunk or Treat & Food. Mayor Moore – We will just take barricades up there and close it. Marvin – And then another thing we will need a cop to lead the parade at 6pm and meet in front of the Food Bank. Steve Hall – Yes, we can.

Mayor Moore – Rick? Jenness I am here over the cameras. Mayor Moore – I have talked to the attorney and he said that they are legal because they are operated by an individual. It is just like anyone who has a ring door bell or camera it is on public access. The city doesn't have anything to do with the cameras unless there is a crime and Jerney asks us to look at them. Then we can. The city doesn't have anything

to do with them they are his cameras. Jenness- So I can put cameras up where ever I want? Mayor Moore – Evidently. Jenness – So they don't need city permission to place cameras up. Mayor Moore – Yep public access. Carla's got them, Monkey Wrench has got them. Jenness – I understand that but they are on their own property, and not on public property. Mayor Moore – I talked with they lawyer and he said it was fine. Jenness – Okay.

Mayor Moore - Ch
